30th September, 1930.

R. Dear Sirs,

With reference to my letter of the 29th July last respecting your S.S. "TOWY", it was observed from the shipping papers of the 24th August that salvage operations would shortly be resumed. No further reports, however, have been published, and I shall therefore be glad if you will be so good as to let me know, for the information of the Committee, if hopes are still entertained of salving the vessel, or whether she has now been abandoned as a total loss by all concerned.

I am, Dear Sirs,

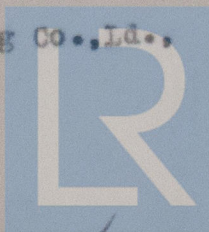

Yours faithfully,

Secretary.
