Dear Sirs,

R. With reference to my letter of the 18th instant, respecting the S.S. "TOWY", which is reported to have sunk in 30 fathoms of water at Port Stewart after striking a submerged rock, I beg to acquaint you that the Committee have had the case before them at their meeting today, and I am directed to inform you that the question of making a record of casualty against the vessel's name in the Register Book has been postponed for the present as it is understood that salvage operations are to be attempted.

I am, Dear Sirs,

Yours faithfully,

Secretary.
