# Lloyd's Register of Shipping,

71, Fenchurch Street, E.C. 3.

9th June, 1931.

Dear Sirs,

H. With reference to the classification in the Society's Register Book of the steamer "TJIBODAS", I have to acquaint you that a proposal to have the 2nd Special Survey No.3, which became due last month, carried out sometime within the year of grace was agreed to by the Committee last February subject to the vessel being generally examined and favourably reported upon.

It is understood that the steamer has been sold to Japanese shipbreakers, and in the circumstances I shall be glad if you will give the case attention, and let me know in due course the name and address of the purchasers.

You will also be so good as to advise me immediately the work of demolition has been commenced.

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

KOBE.
