10th February, 1931.

Dear Sir,

I am in receipt of your letter of the 8th ultimo respecting the steamers "TJISONDARI" and "TJIBODAS", and in reply I have to say that the Committee, who had the cases before them at their Meeting today, are agreeable to the Owners' proposal to have the 2nd Special Survey No.1 of the former vessel carried out sometime within the year of grace, i.e. by the end of March, 1932.

With regard to the steamer "TJIBODAS", I am directed to say that provided this vessel be submitted to a general examination soon after the 2nd Special Survey No.3 becomes due and be found to be in a satisfactory condition, the Committee will be agreeable to this inspection being carried out sometime within the year of grace allowed by the Society's Rules, i.e. by the end of May, 1932.

I shall be glad if you will inform the Owners accordingly, and let me know in due course what arrangements are made for the requisite general examination of the "TJIBODAS" to be held. You will also be so good as to let me know the Owners' intentions in regard to the Boiler Survey
