The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

Condition & Alterations

This vessel has been examined in dry dock, bottom cleaned and coated. The openings in the shade deck sides have been plated over for about two-thirds of its length, as approved in March last, and minor alterations made.

It is submitted the vessel is worthy to remain as classed with record of survey as recommended.
