Action in this case has been deferred from time to time in view of the vessel being laid up at Dordrecht, the Owners having furnished the usual undertaking in April last.

This Dutch vessel has recently been sold to Messrs. Douglas & Ramsey of Glasgow, for breaking up, and the Rotterdam Surveyors now state that the vessel left the New Waterway on the 12th instant in tow of a British tug. This report is confirmed by "Lloyd's Daily Index", which gives the destination as Bo'ness, and adds the notation "To be broken up."
