31st July, 1933.

Dear Sirs,

S. With reference to Mr. Angier's call at this Office this morning relative to the steamer "WESTERDYK", I beg to acquaint you that provided the vessel be drydocked and her hull and machinery generally examined, the Boiler Survey held and the screwshaft drawn in and examined, and a satisfactory report be received from the Society's Surveyors, an Interim Certificate might be issued to enable her to proceed with a non-perishable cargo to the Far East to be broken up.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.
