4th Dec 1900

2 Encls

Sir

Referring to the correspondence which has already passed respecting the case of the S.S. Highland Laddie's Propeller Shaft & the diameter of the propeller as fitted being somewhat over the Society's Rules requirements for the shaft dia. - I herewith enclose a letter from the builder, Messrs Wm Beardmore & Co, with copies of letters to & from the Owners relating to the case.

I am

Sir

Your Obedt Servant -
James Morrison
