Dear Sir,

S.S. "NOWSHERA"

I have to acknowledge and thank you for your letter "M" of 12th inst regarding the survey of this vessel.

I have advised the British Corporation of the proposed transfer and that I will surrender the Load Line Certificates granted by them originally, in due course.

Meantime I shall be glad if you will arrange for the Survey of the vessel and grant a re-assignment of freeboard and advise me what markings etc you desire on ship's sides. The vessel is at present in Antwerp but is leaving there on the 18th to go into dry dock in Falmouth on the 19th when I shall be pleased if you will arrange for your Surveyor to inspect her. She is due to be on her loading berth at Avonmouth on 23rd inst.

Yours faithfully
