71, Fenchurch Street, E.C. 3.

13th April 1923.

Dear Sirs,

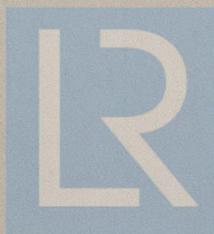

With reference to your letter of the 10th instant, respecting the case of the S.S. "NOWSHERA", I have to inform you that upon reference to your ~~FIRST ENTRY REPORTS Nos.~~ 8077 and 8142 on the sister ships "ROYALSTAR" and "ALBIONSTAR" it is found that the plans forwarded for reference with the "ROYALSTAR" were returned to Belfast in March 1919, and only a midship section appears to have been forwarded by you with the Report on the "ALBIONSTAR" in June 1919.

In these circumstances I shall be glad if you will endeavour to obtain from the Builders further sketches of midship section and profile for use in the case of the "NOWSHERA".

I am, Dear Sirs,

Yours faithfully,

The Surveyors,
BELFAST.
