Lloyd's Register of Shipping.

71, Fenchurch Street, E.C. 3.

6th April, 1923.

Dear Sirs,

I have to inform you that the Owners of the S.S. "NOWSHERA", No. 68837 in the Register Book, have expressed the wish that this vessel should be classed with this Society.

The vessel was built by Messrs. Workman, Clark & Co., Ltd., in 1919, their Yard No. 437, and was classed with the British Corporation.

No plans of the vessel are in the Owners' possession, and I shall therefore be glad if you will be good enough to obtain from the Builders plans of midship section, profile and decks, pumping arrangements and boilers, and also particulars of the machinery, and forward the same to this Office as soon as possible in order that the case may receive prompt attention.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,  
BELFAST.
