LLOYD'S REGISTER  
RECEIVED  
23 APR 1928  
And.  
LONDON

21st. April 1928.

Dear Sir,

With reference to the contents of the Classing Letter of 20th. inst. having reference to the "LORD BROUGHTON", I beg to state that the examination of the vessel was made at the request of the Owners' Representative to obtain tentatively what repairs might be required if the vessel was put through No. 3 Survey.

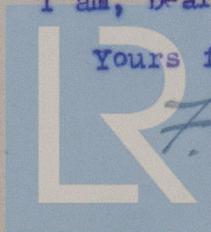

After the vessel had been examined, the Superintendent came to the conclusion that as so many repairs were required he would proceed no further with the examination, as probably the Owners would decide to dispose of the vessel without effecting any repairs.

The report was forwarded to the Committee for their information, it being quite understood that further examination would be required if the Owners decided to carry out the survey.

I am, Dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
