"ALABAMA" 28455. Classed 100 A1, Shelter Deck with Freeboard, subject to the repairs now being effected at Newcastle being satisfactorily completed. Assigned notations of Lloyd's A & C P and LMC 10,22. In view of the fact that the repairs being effected to this vessel in the Tyne have not yet been completed a half certificate is enclosed herewith for the hull, (for issue on payment of the fees) in order to meet the wishes of the builders. Immediately a report is received to the effect that the repairs have been completed, a full certificate will be issued. You will advise the Society's Surveyors at Newcastle-on-Tyne when the fees have been paid.
