

16 MAR 1933

15.3.33.

S/S. Hogarth

The attached letter has been received in reply to an inquiry addressed to the Owners in regard to the Boiler Survey which is more than twelve months overdue, the vessel being laid up.

As the Auxiliary Boiler which is being used has not been inspected by the Society's Surveyors for over 2 years it is submitted the Owners be requested to arrange for it to be generally examined at an early convenient opportunity.
