The Secretary,

Lloyd's Register,

Sir,

Captain Metcalfe the Society's Ship Surveyor at San Francisco has forwarded the accompanying amended first entry report on the S.S. "Arizonan" (No. 786).

It will be seen that the questions asked in the classing letter addressed to him on his first report are answered, except that the tests of all the steel wire ropes are not given.

The Surveyors freeboard verification report for this vessel was forwarded to the London office on 12th May.

I am, Sir,

Your obedient Servant,

G. Stanbury
