Secretary

13th January, 1925.

Dear Mr. Gilmour,

You are no doubt aware that a Board of Trade Inquiry will be held on Thursday, the 15th instant, at ten o'clock in the morning, at the Town Hall, Middlesbrough, into the case of the loss of the s.s. "HARTLEY", and it is desired that you should arrange for someone to be there, not as representing this Society in any official capacity, but simply to take a note of the proceedings, including as full a note as possible of the evidence, and send it to this Office each day if this can conveniently be arranged.

It is thought that either Mr. Bartlett or Mr. Fairley would be suitable for this purpose, preferably the former, I should think, and I should be much obliged if you would kindly arrange accordingly.

With kindest regards,

I am,

Yours sincerely,

W.L.Gilmour, Esq.,

MIDDLESBROUGH.
