22nd April, 1920.

Dear Sir,

With reference to your First Entry Report No. 39835 on the S.S. "DALMATIER", built by the Lloyd Royal Belge (Great Britain), Ltd., I have to acquaint you that the Owners of this vessel have applied to be furnished with a certified copy of the First Entry Certificate, without the sketch of midship section, and they explain that this is desired in connexion with the requirements of Belgian Law.

In the circumstances, I shall be glad if you will obtain payment of the fees as promptly as possible.

I should add that the First Entry Certificates of Classification will be sent to you to pass on to the Builders in the usual way on payment of the fees.

I am, Dear Sir,

Yours faithfully,

The Secretary,
GLASGOW.

Secretary.
