s.s. "SUDURCO"

MAR 1935

The 1st S.S.No.2 became due in 8,28, and the 1st S.S. No.3 in 8,32. The vessel appears to have been laid up at New York since February 1928 and the undertaking was furnished in October, 1929.

It was recently reported that the vessel had left New York, and in reply to enquiry as to whether the survey had been held, the Surveyors state that the vessel has been sold for breaking up purposes and has not been surveyed by the Society's Surveyors.

It is submitted the record "To be broken up" be posted in the Register Book.
