ANSWER.

Date:— 28th February, 1928

The Owners advise that the Steamer  
"SUDURCO" is at present laid up and  
that they will carry out the Boiler  
Survey before she again goes into  
commission.

It is their intention to deal with  
the Boiler Survey of the "Sunelseco"  
on her arrival at Port Newark from  
her present voyage.
