

COPY.

17th February, 1921.

===== Secretary, New York.

S.S. "Sudoreo" New York Report 19022

It is observed that in the heading of the hull report this vessel's name is spelt as above, whereas on the Machinery Boiler and Electric Light Reports the name is given as "Sudureo".

In these circumstances, I shall be glad if you will kindly let me know by return mail which rendering of the name is correct.

Assistant to the Secretary.
