

7 MAR 1935

s.s. "SUBOATCO"

The 1st S.S.No.2 became due in 6,28, and the 1st S.S. No.3 in 6,32. The vessel appears to have been laid up since February 1928, and the Owners agreed in August 1929 to the terms of the usual undertaking.

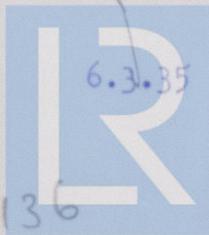

It was recently reported that the vessel had left New York (where she was laid up), and in reply to enquiry as to whether the survey had been held, the Surveyors state that the vessel has been sold for breaking up purposes and has not been surveyed by the Society's Surveyors.

It is submitted the record "To be broken up" be posted in the Register Book.
