Dear Sir,

We have to acknowledge receipt of your letter of the 29th ultimo just received, also your letter of the 21st August enclosing copy of a letter received from the Secretary London, and two printed forms of undertaking in connection with the Vessels owned by the Portland-California Steamship Company.

I have to inform you that the letters of undertaking remain unsigned but I am now enclosing for your information copy of a letter just received from Mr. King regarding the vessels in question, which is self-explanatory.

I shall be glad to hear from you further with reference to this matter, as to what disposition the Committee makes of these vessels.
