QUESTION.

ANSWER.

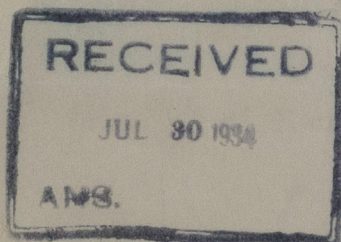

Date:—

July 30th 1934.—

I shall be glad to learn what arrangements are proposed to be made for the 2nd Special Survey No.1, which became due on this ship at the end of last month, to be carried out.

At the same time I have to point out that the vessel will become due for Boiler Survey at the end of next month.

The Owners state that this vessel is due to arrive in Japan next month, where she will then be laid up and subsequently broken up under the ship standard improvement subsidy plan.
