29th August, 1935.

Dear Sir,

S. With reference to Glasgow Report No.56030 on the Steel Single Screw Steamer "ARGENTINE TRANSPORT", I shall be glad if you will be good enough to obtain from the Surveyors and let me have particulars of the length, including cofferdams and dry tanks (if tested) and of the capacity of the double bottom tanks, as these are not quite clear from the report.

I am, Dear Sir,

Yours faithfully,

pro Secretary.

The Secretary,

GLASGOW.
