LLOYD'S REGISTER,  
LONDON,

REC'D - 8 JUN 1923

The Secretary,  
London.

Dear Sir,

ANS'D 20.6.23 *H. G. Arkid*

Herewith enclosed I beg to submit for consideration a sketch showing stiffening of oil fuel bunkers proposed to be fitted in the S.S. "WITIAZ" now undergoing alterations at this port.

The air pipes to the bunkers discharge on the bridge deck about 13 feet above the tank top and this height has been used in estimating the scantlings.

The Builders letter is enclosed herewith from which it will be seen that the matter is very urgent and they request early attention.

I am, Dear Sir,

Yours faithfully,

*H. Kendall*
