ANS'D

Sir,

We beg to advise you that we are forwarding to-day First Entry Report No. 72384 on the S.S. "WESTERN VALLEYS" of Sir W.G. Armstrong Whitworth & Co's vessel No. 953. The vessel was partly constructed as a "C" type standard steamer in the order of the Shipping Controller and subsequently transferred to private Owners, three Contractors Claim Forms (out of four) having been signed by ourselves on account of the Controller.

An account for the ordinary classification survey is to-day being rendered to the Shipbuilders, and we shall be glad to be informed in due course of the amount of the additional fees which will be charged to the Shipping Controller.

We are, Dear Sir,

Yours faithfully,

THE SURVEYORS,
