When due

This vessel which was built in 1912 was classed with this Society and notation of s.s.No.2-21 ~~was~~ assigned in August 1921.

The s.s.No.3 became due 12,24.

The Hamburg Surveyors, who carried out the survey for classification, now state in reply to enquiry that all the requirements of a special survey No.3 were carried out when the vessel was under survey at their port and, in their opinion, the notation of s.s.No.2 might be amended to s.s.No.3, as desired by the Owners.

It is submitted the vessel appears worthy to remain as classed and to have the notation of s.s.No.2-21 amended to s.s.Ham.No.3-7,21.
