

W663-0047

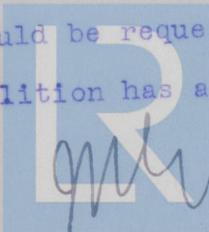

8 - FEB 1933

S.S. "TROPICO".  
-----

It is noted that the present Owners have now advised the Genoa Surveyors that it has been decided to take the vessel to Spezia for breaking up.

As Spezia is only 50 miles from Genoa, it is submitted that there is no objection to the vessel proceeding for this short distance.

The Surveyors should be requested to report in due course when the work of demolition has actually been commenced.
