Willemskade 11 B,

Rotterdam, 28 of March 1922.

The Secretary

London.

All communications to be addressed to—  
THE SURVEYORS.

S

Dear Sir.

With reference to your classing letter of the 24<sup>th</sup> instant regarding the Steamer ARENDSKERK report No I2189 I beg to inform you that a hand pump has been fitted for draining the space above the Fore peak tank and the chainlocker, and that the inner surface of the bottom plating is protected by cement. It is regretted this information was omitted from my report.

I am, Dear Sir,

Yours faithfully

*H. P. Jonker*

With reference to your letter of the 14th inst. and the fact that you have been advised by the State Engineer that the water supply in the area is not sufficient to meet the needs of the population, it is suggested that you consider the possibility of obtaining water from other sources. It is also suggested that you consider the possibility of obtaining water from the State Engineer's office. It is also suggested that you consider the possibility of obtaining water from the State Engineer's office.
