Middlesbrough, 12th. July 1924.

LLOYD'S REGISTER
Recd. 14 JUL 1924

Ans'd.

LONDON

Reference

Dear Sir,

In reply to your classing letter of the 11th. instant, respecting Middlesbrough First Entry Report No. 11981 on the steamer "KAMLOOPS", Messrs. Furness Shipbuilding Co's yard No. 68, I beg to state that no cement is fitted in the cellular double bottom in way of the boilers (see Secretary's letter "M" dated 14th. February 1924).

With regard to the frames of the peaks, these are of bulb angle section.

I am, Dear Sir,

Yours faithfully,

A. Fairly

The Secretary,

London.
