TOKIO, 9th. August 1930.

Messrs. Lloyd's Register of Shipping,
KOBE.

Dear Sirs,

Regarding the survey fee of ¥555.- for Annual Survey of S/S "SEIYO MARU" your Mr. Tomihara of Yokohama came to us to receive above fee, but according to recent depression of finance (freight market) we had been forced to laying up the S/S "SEIYO MARU" and charter other vessels, but we cannot get any profit out of it, also we have no means to get money to pay for several expenditures.

Owing to above circumstances, we cannot pay the survey fee so by your generous sympathy please wait until we get money.

We are, Dear Sirs,

(Sgd) Midzushima.
