Dear Sir,

s.s. "TIGH-NA-MARA".

We beg to refer to the uncompleted second Special Survey No.2, and Boiler Survey, and our promise to you to have same completed before the steamer was again put into service.

Unfortunately it has been found expedient to dispose of this vessel and we are negotiating with a firm whom we think would be prepared to purchase provided they can have the option of taking a cargo from London to Leith and there complete the survey. We should therefore, be glad to hear whether you would be prepared to entertain such a proposition.

They are a Scotch firm and apparently for some reason are desirous of completing survey at the port of Leith, which they state they would do on arrival.

Thanking you in advance for your kind consideration.

We are,

Yours faithfully,
