Dear Sir,

S.S. "TIGHNAMARA".

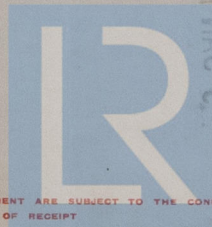

Your letter of the 4th inst., re completion of Survey of  
the Hull and Boiler Survey, was duly received.

As, however, the Steamer has been laid up since September  
30th. indefinitely, the writer would be pleased to hear that same  
could be deferred until such time as the Steamer is again placed on  
service.

We are, dear Sir,

Yours faithfully,
