Lloyds'.  
Royal Exchange.

Dear Sir,

In connection with the alterations to my Boat the  
s.s. "Tigh-na-Mara", and the plans which <sup>were</sup> placed before you  
a few weeks ago; I should be glad if you could arrange to send  
a Surveyor down to the Boat to inspect the work which has been  
carried out, so as to avoid any unnecessary delay in the comple-  
tion of the work. If possible, we would like the boat to go to  
Sea on or about the 3rd prox., therefore, any effort you may make  
to facilitate this, would be greatly esteemed.

The Bearer, Captain Roumegous, will furnish you with any  
further particulars you may require.

Thanking you in anticipation.

Yours faithfully,

*F. Robertson*
