ENCLOSURE.

22nd June, 1904.

Gentlemen,

With reference to your First Entry Report No.13969 on the Steam Yacht "TIGHNAMARA" enclosed herewith, it is observed that the fee charged is apparently incorrect as the equipment numeral cannot be less than 5,860 in which case the fee would be £18. instead of £10. as entered on the report. I have therefore to request that you will revise your calculation of the equipment numeral and render an account for the balance of the fee, advising me of the amount and payment in due course.

I am, Gentlemen,

Your obedient Servant,

Secretary.

The Surveyors,  
GREENOCK.
