

ived by Chief Ship Surveyor 27. 2. 06

Received from Chief Ship Surveyor .....

SSEL'S NAME St. Joris S. S. Nieuw Amsterdam Report Bel No. 6031

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/02.)

ure of Survey

First entry

It is submitted that before this case receives the consideration of the Committee the Belfast Surveyor should be requested, in view of the ceiling having been fitted according to their report under the hatchways and over the limbers only, to state whether this is in accordance with the specification agreed to by the Owners. They should be reminded that in the letter addressed to them on the 26th ~~February~~ last they were requested to specially mention the above on the first entry report.

September

Tr: to Belfast  
1/3/06.
