26th September, 1905.

Gentlemen,

I duly received Mr. Milton's letter of the 22nd instant, and in reply to his enquiry I am directed to state that in any case in which it is clearly stated in the specification which has been agreed to by the Owners of a vessel that close ceiling is not to be fitted except over beams and under hatchways, this will be taken as fulfilling provisions of the Rules requiring the Owners' sanction to be obtained by the Builders to deviations therefrom.

I am, Gentlemen,

Your obedient Servant,

Secretary.

Surveyors,

BELFAST.

A special mention of the fact should be made in the entry report on the vessel.
