*The Secretary
London.*

Sir,

Messrs Harland & Wolff Ltd. have written concerning the New Rules regarding equipment; Notice No 1062. with especial reference to their C.S. No 366, because, according to the new method of obtaining the numeral, the outfit may be reduced.

I therefore beg to submit for the approval of the Committee, the figures used in obtaining the equipment numeral, and also a revised list of Anchors and chains, and a list of warps to meet the Owners' requirements, forwarded by the Builders, with a request that the same may be approved, at your earliest convenience, in lieu of the list approved

the Midship section.

I would add that I have checked the figures now submitted from the working plans, and find them quite correct.

The approved plans are forwarded herewith for reference.

I am,

Sir,

Your obedient servant
James Kirpin

Harlan T Wolff's S No 366

The Surveyor states that he has checked the Equipment number on Submitter by the Builder from the working plans and finds same correct.

It is Submitter the equipment proposed being in accordance with that number merits approval.
