Sir,

I herewith enclose for the consideration of the Committee a letter we have received from Messrs. Furness, Withy & Co. proposing, at the request of the Owners (Clan Line), to dispense with ceiling on tank tops except in way of the hatchways, in the steamers Nos. 287, 288 & 289 building by them.

This, I may state, has been approved of in similar cases.

The approved midship section and profile are forwarded herewith for reference.

I am, Sir,

Your obedient Servant,

The Secretary,
