9th November, 1932.

Dear Sirs,

H. I am in receipt of your memorandum of the 11th ultimo respecting the steamer "BELTANA", and in reply I have to say that in view of the fact that this vessel is still laid up and that it is the Owners' intention to carry out the 2nd Special Survey No.2 before she is recommissioned, the Committee, who have had the case under their consideration, are agreeable to the inspection in question being postponed for the present.

I shall be glad if you will inform the Owners accordingly and at the same time remind them that the Boiler and Screwshaft Surveys will require to be carried out before the steamer is recommissioned, and the Refrigerating Machinery surveyed before she loads a refrigerated cargo.

I am, Dear Sirs,

Yours faithfully,

Copy for RMC
pro Secretary.

The Surveyors,
