1st January 1932.

Dear Sirs,

I duly received your memorandum of the 7th ultimo respecting the steamer "BELTANA" and in reply I have to say that in view of the fact that this vessel is still laid up, the Committee have deferred consideration of the case for the present subject to the boilers not being used again until they have been surveyed and to the crewshafts being submitted to examination before the vessel is again employed.

I shall be glad if you will inform the Owners accordingly.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,

KOBE.
