13th March, 1931.

Dear Sirs,

I duly received your memorandum of the 17th ultimo respecting the steamer "BELTANA" and have placed the same before the Committee at their meeting to-day.

The Committee note that this vessel is still laid up in Kobe Harbour and that the Owners have not yet decided what will be done with her and, in the circumstances, the Committee have deferred action in the matter subject to the boilers not being used again until they have been submitted to survey.

I shall be glad if you will inform the Owners accordingly, and you will be so good as to advise me immediately should the Committee's decision not be complied with.

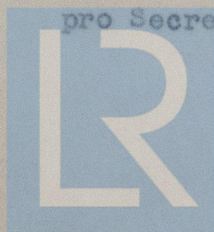

I am, Dear Sirs,

Yours faithfully,

The Surveyors,

KOBE.

pro Secretary.
