*Sp. "Chutey" Reported blown up & sunk  
in lat. 33 N., long. 140 E., on 15<sup>th</sup> February 1928.*

Dear Sir ,

With reference to the casualty which is reported to have occurred in the case of the above-named vessel, I beg to acquaint you that, in accordance with the usual practice, the question of inserting a record of the circumstances against the vessel's name in the Register Book will come under the Committee's consideration at an early meeting. In the event of such a record being made, the vessel's character would--as is the ordinary course in such cases--be expunged from the Register Book at the same time.

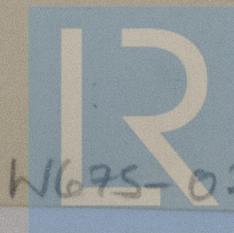

If, however, you are aware of any circumstances which may render it desirable that the Committee should defer taking the steps above described, I shall be glad if you will kindly communicate with me by return of post.

I am, Dear Sir ,

Yours faithfully,

Secretary.
