

Outstanding fee."LADY ASTLEY".

Convention Freeboard Fee outstanding.

£11:18:0

Measurements at SUNDERLAND in June, 1932.

Assignment Letters issued 2nd July, 1932.

Cardiff Surveyors reported 5th April,
1933 as follows:-

The Owners were interviewed on the 30th ultimo and again this morning but we regret we were unable to persuade them to pay this account now.

They state that as the vessel is at present laid up indefinitely and they are unable to say what will eventually be done with her, they do not propose to make payment until the Convention Freeboard is marked, verified and new certificates issued".
