Copy of  
~~Extract from~~ letter dated 11.11.22 received from  
the Genoa Surveyors

Original letter with "General Noting letter" "E" Dept.  
 Vessel's Name "MANLIO"

Further to correspondence respecting this vessel we  
 now find the Owners have transferred their Office to  
 Rome. Their address is:-

Spett. Societa Anonima di Navigazione "Apuania"  
 Via San Eufemia 19,  
 ROMA.

We are again taking the case up with them. It would  
 seem that this is probably the reason we have  
 received no reply to our previous enquiries.
