due Annual Survey of Water Tube Boilers due 2.22.

In March last the Genoa Surveyors wrote they were informed by the Owners that this vessel was laid up at Messina and that they would have the above survey carried out during March or April. In the circumstances the Committee agreed to this arrangement.

In reply to enquiry the Genoa Surveyors write this vessel is still laid up at Messina and the Owners state they will carry out the above survey when she is again placed in commission

Submitted action be deferred.
