LONDON E.C. 3.

Dear Sir,

"PORT ELLIOT"

We have pleasure in enclosing press cuttings in connection with the Magisterial enquiry regarding the loss of this vessel and which, no doubt, you will find interesting reading.

We understand there is no more cargo to be salvaged and the salvors are now engaged in recovering as much of the ship's fittings as possible.

Although not in our territory, we nevertheless trust we are within the rules of your Society in forwarding the above information.

Yours faithfully,
