22nd October, 1931.

Dear Sirs,

I. I have to acquaint you that I am in receipt of a letter from the Owners of the Motorship "VULCANUS" in which they state that this vessel has been sold to Japanese buyers for breaking up purposes and I have to say that, in the circumstances, the Committee have agreed to the vessel proceeding from Singapore to Japan under her own steam, in ballast condition, without carrying out the 2nd Special Survey No.2.

I shall be glad if you will be guided accordingly and let me know immediately the work of demolition has been commenced.

I am, Dear Sirs,

Yours faithfully,

pro Secretary.

The Surveyors,
KOBE.
