# Lloyd's Register of Shipping.

Port Singapore

22nd, July, 1931

This is to Certify that I have

Surveyed the Steel Screw Motor Vessel "VULCANUS" 1179 tons

gross of BATAVIA while in dry dock at this port,

and that I have transmitted to the Committee of Lloyd's Register of Shipping, London, a Report, stating that all repairs recommended by me have been completed to my satisfaction, and that I have Recommended that she be continued as now classed in the Register Book without fresh record of survey

being fit to carry Petroleum in bulk.

John T. Lindley

Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—

"While the Committee use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Committee nor the Society are under any circumstances whatever to be held responsible for inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default, or negligence of the Surveyors, or other Officers or Agents of the Society."
