Kobe, 20th May, 1935.

The Secretary,
Lloyd's Register of shipping,
London.

Dear Sir,

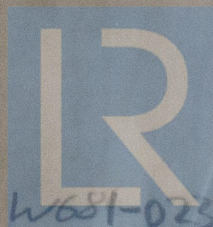

S.S. Hokuman Maru

In reply to your letter of the 1st March, 1935,
we beg to inform you that we have no objection for expunging
the ship's name from the Register Book, as there is every
reason to believe that the ship sank at the position of Lat.
49°-23' North Long. 129°-39'-30" West, about two hours after
she was abandoned by her crew on the 21st January 1935.

Yours faithfully,

For and on behalf of
MANSHU KAIRIKU UNSO KABUSHIKI KAISHA
